Education

BITS Pilani Hyd Campus / BE CSE,
Current GPA - 7.58
Delhi Public School
12 th - 95%
10 th - 94%

Framework/Technology

- Flutter App Dev
- Flutter Web Dev
- Python 2D Game Dev
- Deep Learning in Python
- Chrome Extension

Languages
- Dart
- Python
- C
- C++
- Javascript
- Java

Key Skills
- Problem Solving
- Tech savvy - requires little or no time in learning new frameworks

Accomplishments
- 1404 Rating Codeforces
- 4 star rated coder CodeChef rating - 1808
- Best Rank 36th- CodeChef Starters

Profile

Student, Looking to leverage my knowledge and experience into a role of an intern.

Experience & Projects

CF Tracker
Download Link - https://codeforces.com/blog/The_stD7
Github Link - https://github.com/vermaabhinav363/CF-Tracker
Current no. of downloads - 250+

- Developed a Chrome Extension to help coders on Codeforces community to track down time spent while practicing coding problems.

- Got a good response from the community, learnt about JavaScript and how to make a usable product.

Buy and Sell @ BPHC
Github Link - https://github.com/vermaabhinav363/alumni
- A flutter based app, uses Dart language, to help students from BITS community to buy and sell books and electronics. App also has an integrated chat app fully developed from scratch.

- Learnt about advanced UI/UX, and progressed my knowledge of flutter framework.

Dynamic Wallpaper
Github Link - https://github.com/vermaabhinav363/Dynamic-Wallpaper

- A Python based desktop application, which creates dynamic wallpaper for desktop from any video.

- Learnt about python and open CV.

Hobbies
- Gymming - fitness enthusiast
- E Sports - Valorant, CSGO
